Grundriss 1.OG

[illegible]

The image displays a set of architectural drawings for a staircase project, including floor plans, sections, and a detail view.

Grundriss 3.OG: Shows the ground floor plan of the 3rd floor. It includes a staircase (8 / 27.5 / 18.0) and a landing area (10 / 27.5 / 18.0). The drawing is labeled "Grundriss 3.OG" and "WD 20/20/15; OKWD=35 ab OK Dachrand".

SECTION A-A: A vertical section through the staircase, showing the structure and dimensions. It is labeled "SECTION A-A" and "SCALE: 1:50".

SECTION B-B: A vertical section through the staircase, showing the structure and dimensions. It is labeled "SECTION B-B" and "SCALE: 1:50".

SECTION C-C: A vertical section through the staircase, showing the structure and dimensions. It is labeled "SECTION C-C" and "SCALE: 1:50".

SECTION D-D: A vertical section through the staircase, showing the structure and dimensions. It is labeled "SECTION D-D" and "SCALE: 1:50".

Detail 3: A detailed view of the staircase structure, showing the concrete and steel reinforcement. It is labeled "Detail 3" and "063-50-2.1".

Legend: A legend for the materials used in the drawings, including "Stahlbeton" (Reinforced Concrete), "Kalksandstein" (Calcium Silicate Brick), and "Verputz" (Plaster).

Table: A table with 5 columns: "R. Soller AG", "Held&Mussio", "Ammann AG", "Raschle Holzbau", and "Müller Dach AG". The table lists various construction details and their corresponding dates and specifications.

PROJEKT: Kuhn/ Roell/ Sturzenegger Hauptstrasse 38 u. 40 8280 Kreuzlingen

BAUHERR: Kuhn/ Roell/ Sturzenegger Sandbreitestr. 12 8280 Kreuzlingen

PLAN: Treppenhaus im Hof Grundrisse, Schnitte

Table: A table with 5 columns: "1:50", "A1", "MAG/AB", "8.3.05", "063-50-1", and ".8".
